

SDMS STUDENT STATUS VERIFICATION FORM

A SDMS Student member is defined as an individual who is currently enrolled in a Diagnostic Medical Sonography or related program and will be considered a Student Member until completion of the educational program.

To comply with the SDMS Student Membership or SDMS Foundation program eligibility requirements, student status must be verified by the applicant's current program faculty by completing this form.

Student membership applications may be submitted by mail, fax, or email or online at sdms.org/join. Applications must be received before the applicant's graduation date to be considered for SDMS Student Membership. If the applicant does not meet the SDMS Student Membership requirements, the dues payment will be refunded.
