

SDMS WEBSITE

BANNER ADVERTISING ON
THE SDMS WEBSITE

<http://www.sdms.org/>

SDMS offers a variety of advertising opportunities on its Internet website. The SDMS web site provides members with instant access to important information including policy statements, legislative information, continuing education, and much more. The SDMS web site also attracts a large number of students, health care providers, and the general public to obtain information about sonography.

*Space is limited. Contact your SAGE representative for availability!
